PIONEERING 'CONTROLS'
FOR A WORLD IN MOTION

PIONEERING 'CONTROLS'
FOR A WORLD IN MOTION

Born of Entrepreneurial spirit in 1985, Suprajit today has carved a niche for itself as a pioneer in the design and manufacture of Mechanical Control Cables and is recognized as India's largest cable maker and worlds largest in the two-wheeler cable market. As a part of its Strategic expansion into Non-Automotive-Cables, Suprajit acquired Wescon Controls Inc USA in 2016 and had also diversified into Automotive Lighting business through acquisition of Phoenix Lamps Limited in 2015.

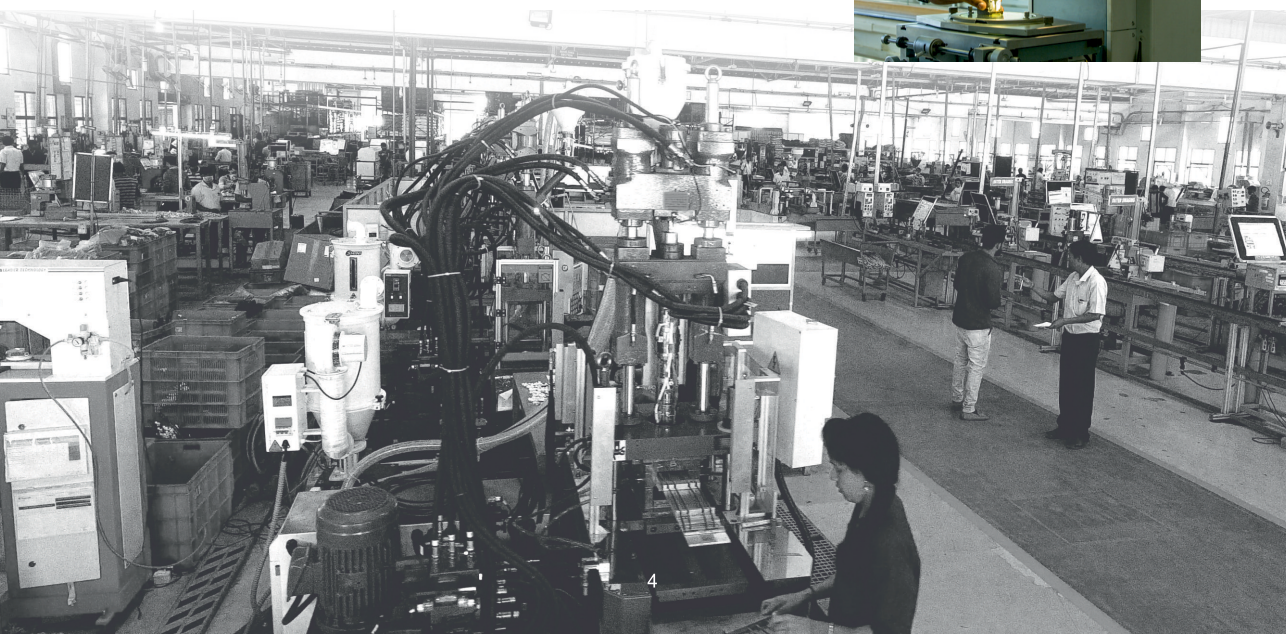

Headquartered in Bangalore- India, Suprajit has transformed from a single product, single customer, single segment, single brand, single location company to a multi- product, multi business, multi customer, multi-brand, multi-location global company making it truly diversified without sacrificing its tenets on Quality, Cost, Delivery and Development.

It is driven by its single-minded goal of "**Customer Satisfaction**" and in this pursuit of excellence it continues to be recognised as "**Value for Money Supplier**" to customers across the spectrum.

BESPOKE
ENGINEERING

SOLUTIONS THAT ARE **ALWAYS A STEP AHEAD**.

One of the hall marks of Suprajit is its strength in co-creating products by working closely with the customer from the early stages of vehicle development, meeting customer requirements day after day through our expertise and adopting a strong and diligent APQP process.

While standardization is inevitable in serial production, we will always strive that extra to find the best custom solution which will deliver that extra value always. We are driven by our single-minded goal of Customer Satisfaction and will leave no stone unturned in our approach and deliver smart, flexible and practical solutions

PROPRIETARY STATEMENT
